

## #QUEEN

Banished

VETO

I banish mean comments

“You suck,” “Go home, die”

“Nice haircut, Big Bird,” “Cool jacket, Hitler.”

Comments like

“You can’t do that.”

“Well, why?”

“Because it’s gross,”

“Not cool,” “I don’t like it.”

Or

“You’re disgusting.”

“Girls don’t marry girls, and it’s always  
going to be like that;  
it’s tradition.”

Well, bitch,

traditions change.

Roll with the punches

‘cause I’m the queen.

I banish bad comments,

*threats,*

because in my world

we accept each other.
