

The Crazy Name You Gave Me

By Tashjadala Norette Anacaryica Mikell, grade 6

Is my name the frogleg of names.

First Name: Tashjadala

It sounds like four different names put together.

Tasha, Jada, Dada, and the letter "a"

That's just crazy. You could have at least called me

Tasha or Ta'sheai, but why Tashjadala?

Is my name the frogleg of names.

Second Name: Norette

Look, I know you were trying to be nice,

But what were you thinking?

Norette sounds like a way to stop smoking.

Is my name the frogleg of names.

Third Name: Anacaryica

Wow! I thought Norette and Tashjadala was Crazy

But Anacaryica? Where in the ham sandwich

Did you get that from? It's a shame.

Grandma can't even say it.

Again I say:

Is my name the frogleg of names.
